*"Pamela delivers her message in clear, concise terms that inform, engage, and illuminate. **She is an expert at creating an atmosphere of enthusiastic participation, and at fueling that pursuit for additional knowledge.**"*

*"I have attended several of Pamela's presentations and found her to be **an engaging and informative speaker** on a range of personal finance topics... **Highly recommended!**"*

*"Pamela is both **passionate and very knowledgeable about personal finance**. She is inspirational about the topic of women and philanthropy and shares her enthusiasm with others. **She is a talented teacher and committed professional.**"*

Bio:

Known as the “Money Mentor for Women,” Pamela Plick specializes in helping women find their money power: *providing the education, strategies and tools to grow financial confidence, security and freedom.*

Pamela is a CERTIFIED FINANCIAL PLANNER™ practitioner, fee-only Registered Investment Advisor, Certified Divorce Financial Analyst™ and an Accredited Wealth Management Advisor™.

Drawing on over 25 years of experience in the financial services industry, Pamela opened her own firm in 2011. Since then, she has become a well-recognized financial expert and a sought-after speaker.

In her engaging presentations, she delivers actionable information audiences can use. Her work has been highlighted on The Huffington Post, Investopedia, NerdWallet and in USA Today and Forbes. She has also been a featured expert on Golden Girl Finance, DailyWorth and Investopedia.

Active in her community, Pamela has volunteered with several non-profit organizations, helping to raise funds. She has served on advisory councils related to women’s empowerment, health and education. In her free time, Pamela enjoys traveling and visiting art museums.
